# Digitization of Receipts Begins

## Electronic receipts will be more environmentally friendly

**Make it more convenient by linking with apps!**  
**Make it more comfortable!**

Starting August 26, 2025, electronic receipts will be available at EDION all stores.

By digitizing receipts that were previously issued on paper, customers will be able to easily check their purchase history at any time from their smart phones, without having to spend time storing and organizing receipts.

We expect this to result in a 30% reduction in the number of receipts issued.

The poster features three circular icons at the top: a document with a red 'X' labeled 'なくさない' (Don't lose it), a wallet with a red 'X' labeled '溜まらない' (Don't pile up), and a smartphone with a magnifying glass labeled '探しやすい' (Easy to find). Below these, the text '電子レシート' (Electronic Receipt) is written in large yellow characters, followed by 'はじめます!' (Starting!) in large white characters. A blue circle contains the text '買い物をエコでより便利に楽しんでいただくために 8/26(火)より導入いたします!' (To enjoy shopping more conveniently and eco-friendly, we will introduce it from 8/26 (Tue)!). On the right, a smartphone displays the EDION app interface with the title '電子レシート案内' (Electronic Receipt Guide) and details about the service, including the start date '2024年09月26日(金) 17:45' and the store '松山本店' (Matsuyama Main Store).
